## MAKING A MARK

Since the company was founded, CARPETS & MORE has become a brand known for high quality and stylish rug designs. Each piece is created by exceptionally talented designers and produced by highly skilled weavers. Great quality natural yarns, high production precision and the joy of creating accompanying at every stage of the production of carpets, make each of them a work of art to be enjoyed for many years.

## DECO RUGS

DECO RUGS is a collection of impressive, colorful flat-woven rugs in a vintage style. Their pile behavior and tight weave, have made the rugs effective against bruises on furniture legs and damage. The special "easy clean" coating, preventing from penetrating water and dirt, allows carpets to be easily maintained and cleaned. The built-in non-slip backing makes those rugs work well on both wood, ceramic and heated floors. Expressive colors and diverse patterns of those carpets give unlimited possibilities in interior design.
